We accept most
major forms of
insurance.

At Rapid Psychotherapy we strive to provide quality and timely therapeutic services to children, adolescents, couples, and families. We value integrity, creativity and the empowerment of others.

Feeling out of control?
Is fear and uncertainty your new normal?
Do you find yourself sad, bored, or crying for what appears to be no reason?
Eating too much or not enough?
Is social justice a struggle in your life?
Experiencing transitions with grief?
Are you re-thinking your relationship?
Are you stressed or overwhelmed?
Responding deeply to a traumatic experience in your life?
Life in the age of COVID-19?
Social Distancing?

Ready to begin
your healing journey?
Call us for an initial
session!

'Identifying that you need to speak with a professional takes self awareness, willingness to change and courage.'
