MONMOUTH and OCEAN COUNTIES PARENT LEADERSHIP CAFÉ

What can YOU do to jump start your **S**pecial Education **P**arent **A**dvisory **G**roup?

The new school year is a great time to press the reset button on your Special Education Parent Advisory Group (SEPAG). Join your fellow parent leaders for a conversation on how to engage parents, foster collaborative relationships with your district, and help improve the outcomes for ALL students.

Through activities and conversations, you will learn strategies to share with your group or help you and your district start a group. Tools will be provided to help your group to become an effective SEPAG in your district.

Our goal is to make this the best year for your SEPAG!
