

We bring U and STEM
Together

Program Focus

- 1st - 4th Grade: Space Exploration and Astronomy
- 5th - 6th Grade: Chemistry and Biology
- 7th - 8th: Physics and Robotics

USTEM

Engage, Inspire, Empower

Our mission is to inspire kids to love STEM through fun projects and experiential learning.

What We Do

- **A non-profit organization that provides free programs focused on introducing STEM to children**
- **Weekly projects use interactive and hands on activities to engage students**
- **All children 5th - 8th grade are welcome!**

Amerigo A Anastasia Elementary
92 7th Ave
Long Branch, NJ 07740
