

Advocates President & Founder

Joy M. England, MPA, CESP

Joy founded Advocates in December of 2016. Advocates in Action was born from a dream and leap of faith. Joy's career was dedicated to advocating for individuals who needed someone to be their encourager, while they learned to be that for themselves. The mission of Advocates is to be the voice to those who don't have one; Joy embodies this mission both personally and professionally.

Joy is an accomplished scholar who holds her Master's in Public Administration from Rutgers University. Joy currently attends California Southern University pursuing another lifelong dream of a law degree.

2018 marked another new accomplishment for Joy, she has penned her first book! Her autobiography and story of faith and triumph is slated for **release in the summer of 2019.**

2019 is slated to bring many new opportunities for Advocates in Action to reach the lives of individuals globally. Keep an eye on Advocates and watch us Go Global!

Be the **VOICE** to those who don't have one.

We love what we do
