LIFE AFTER LOSS

An evening of healing and hope
with an **exclusive screening**
of our first documentary,

"LIFE AFTER LOSS:

A PARENT'S PERSPECTIVE
ON LOSING A CHILD TO SUICIDE"

with **Bob** and **Christine Moore**

This event honors the memory
of **Jack Moore**,
and is inspired by the mission
of **Mary's Garden Media**, founded
in memory of **Mary Yahara**
to elevate mental wellness.

Nothing made **Mary** happier than
to put a seed in the ground, help it grow,
then step back in wonder for something
beautiful to happen.

Her life is that seed
for **Mary's Garden Media**.
