Children are always escorted to the bathrooms by our counselors and assistants. We have a "sign-out" procedure and a parent or designated adult must now sign out campers at pick-up. Children will not be released to anyone other than those designated. Any changes in dismissal routine must be made in writing.

We often have campers with SEVERE life-threatening food allergies that include, but are not limited to, severe peanut and tree nut allergies. Please caution your child that snacks are not allowed to be shared. All children must wash their hands before and after snack time. If your child has an allergy, or any other special needs, please be sure to discuss this with us prior to camp so we can make the necessary accommodations.
