

TWO RIVER FRIENDS OF DIVERSE LEARNERS RESOURCE LIST

2020/2021

(9/18/2020)

Disclaimer: This list is a compilation of recommendations from parents and guardians who have utilized the services of the included providers over the years, intended for the use of parents and guardians who are seeking recommendations as they seek providers for their families. It is not meant to be a comprehensive list of all resources available in our area.

Two River FODL does not endorse any of these providers, nor have we checked their credentials. This list is a work in progress. Please contact us with suggested additions or revisions, or if a listed provider is no longer available, at trfodl@gmail.com.

TRFODL is an open network of parents and community members of the Two River area working together to improve the outcomes of individuals who have diverse learning styles, strengths and abilities. TRFODL serves as a resource networking group for Special Education Parent Advisory Groups in the region.
