Social Skills Summer Series

What We'll Be Working On

Each day combines engaging activities with intentional skill-building.

Activities Include:

- Gross motor play
- Crafts
- Cooking
- Science experiments
- Sensory activities

Targeted Skills

- Emotional regulation
- Attending in a group
- Direction following
- Waiting, turn-taking
- Group engagement

What Makes This Different?

- * Small Groups (3-5 learners)
- * Individualized support
- * Daily communication home
- * Weekly progress summary
- * Optional detailed report with data analysis and school recommendations

*Before camp begins, each child will participate in a brief 30–60 minute assessment at our clinic to ensure appropriate placement and goal focus.
