

## Asbury Park Residents — Are You Struggling with Drug or Alcohol Issues?

Have you overdosed? Are you concerned about your drinking or drug use? Do you need help making a change?

You are not alone.

We are offering a **peer based recovery program** for those in need. Work with someone who has recovered from an addiction and **can understand your needs** and what is needed for you to succeed in recovery. Together with licensed professionals, we can put together **a plan to set you up for success.**

Call us at **732-775-4958** today and get started on your road to recovery.
