

COASTAL BEHAVIORAL CONSULTING

Coasting Behavioral Consulting

Empowering Change. Supporting Growth.

📍 Serving Monmouth and Middlesex Counties, NJ

About Us

Coasting Behavioral Consulting provides in-home Applied Behavior Analysis (ABA) therapy services to families in Monmouth and Middlesex Counties. Our mission is to support meaningful behavior change and improve quality of life through compassionate, individualized care.

Direct BCBA Service Model

We currently offer a **Direct BCBA Service Model**, meaning all therapy sessions are delivered directly by a Board-Certified Behavior Analyst (BCBA). This ensures consistent, high-quality care and personalized support for every child and family.

Benefits of Direct BCBA Services:

- Greater continuity of care and communication
- Real-time data collection and adjustments
- Individualized and flexible intervention strategies
- Stronger collaboration with families and caregivers
