

MONTHLY BABY PANTRY

Bayshore Family Success Center (Leonardo Location)

**The need for diapers
doesn't have to be
overwhelming!**

An average baby needs 6 diapers a day, and newborns need more than double that. Not having diapers can lead to less frequent changes, causing severe diaper rashes, urinary tract, staph infections, and other health conditions.

The Bayshore Family Success Center is excited to host our monthly Baby Pantry in Leonardo. Registration is **NOT** required for this location.

Inventory is based on community donations and will include diapers, wipes, and formula.
