

JERSEY SHORE PATHS TO RECOVERY Youth Program

PATIENT-CENTERED, PEER-SUPPORTED

Our program works to provide treatment placement and navigation, peer recovery support and case management to youth with a Substance Use Disorder (SUD).

Our clinicians will provide screening and support in the community and at the hospital bedside to patients and their loved ones struggling with addiction.

Patients are eligible to receive support throughout their recovery journey with treatment navigation assistance, education, relapse prevention skills, and coaching.

PROGRAM ELIGIBILITY

- Youth 13-25 years of age
- Diagnosed with any Substance Use Disorder (SUD)
- Monmouth County resident
