

ABOUT US

The SOURCE is committed to supporting the mental health, well-being, and educational success of all students. We build public and private partnerships to ensure quality services that are effective, culturally appropriate and responsive to the diverse, changing needs of students and their communities.

We are a School-Based Youth Services Program (SBYSP), and have been part of RBRHS for over 24 years. We fulfill our mission through best practices in comprehensive counseling services, prevention programming, advocacy, academic support, employment services, family engagement, basic need fulfillment, free public education/forums and collaboration with community partners. All Source programs are free.

We are funded through The Department of Children and Families, Office of School Linked Services, the Red Bank Regional High School Board of Education, and the Source Foundation, a 501c3 Nonprofit. The SOURCE has been recognized as a Model Program by the NJ State Department of Children and Families for the high level of services we supply and the impact we have made in the community.
