

# An Educational Series *for* Community Helpers

In partnership with the Count Basie Center for the Arts and 180 Turning Lives Around, the Mental Health Association of Monmouth County is offering a virtual Beyond the Connection workshop series at no cost to participants.

Many individuals in our community naturally serve as trusted confidants—whether you’re a hairstylist, dentist, or librarian.

**Beyond the Connection** is a two-part training series designed to equip community helpers with the tools to foster meaningful conversations, offer a listening ear, and connect individuals with the resources they need.
