

# JERSEY SHORE PATHS TO RECOVERY

## PATIENT-CENTERED, PEER-SUPPORTED

Our program practices a harm reduction model to provide Medications for Opioid Use Disorder (MOUD) and peer recovery support.

Our certified Peer Recovery Specialists provide support at the hospital bedside to patients and their loved ones struggling with addiction.

After discharge, our Peers continue to support patients throughout their recovery journey with coaching, education, relapse prevention skills, and treatment navigation assistance.

**TO MAKE A REFERRAL OR FOR MORE INFORMATION, CONTACT OUR PEER RECOVERY SPECIALISTS:**

**Kelly Roman, CPRS**  
(732)-266-6201 · Kelly.Roman@hmhn.org

**Robert Androvette, CPRS**  
(908)-692-0734 · Robert.Androvette@hmhn.org
