ADOLESCENT SUBSTANCE USE PROGRAM

Are you and adolescent (or do you know of one) who is
living with, or at risk for,
harmful substance use and its complications?

Using an evidence-based, harm reduction-focused,
compassion-forward model.

Whether new to treatment or treatment-resistant, using
substances only or with co-occurring mental/behavioral
health conditions,

We're here for you.

Monday Afternoons:
Individual Intake/Follow-up Appointments
&
1-Hour Group Session
