

The NWS in Mount Holly has issued a weather forecast which calls for temperatures to fall within the prescribed Code Blue Alert thresholds. As such, pursuant to the law, the current Code Blue Alert for Monmouth County is being **extended** from 9:00 am on Thursday January 13, 2022, until 9:00 am on Tuesday January 18, 2022. Those currently lodged in Motel Warming Centers can be extended if rooms remain available.
