*"While women weep, as they do now,
 I'll fight
 While little children go hungry, as they do now,
 I'll fight
 While men go to prison, in and out, in and out, as they do now,
 I'll fight
 While there is a drunkard left,
 While there is a poor lost girl upon the streets,
 While there remains one dark soul without the light of God,
 I'll fight-I'll fight to the very end!"*
