Who We Are

Autism Behavioral Wellness provides in-home services specializing in Applied Behavior Analysis (ABA) to help families with autism spectrum disorder (ASD). We are passionate about equipping caregivers and children with the tools to take wellness into their own hands.

Why Choose ABW

We care about the physical, mental, and social wellness of a person. We love partnering with families to develop meaningful and functional goals for their loved ones with autism.

What We Do

Our therapists use the principles of ABA to enhance wellness and improve the quality of life of families with ASD. Each program is tailored specifically to the needs of the child with specific, measurable goals set.

Autism Behavioral Wellness is a Medicaid approved provider and is in-network with many major insurance companies.

Core Areas of Focus

Preventative Care

We identify and assess various barriers to participating in medical procedures.

Expanding Food Repertoires

We expose our learners to a wider variety of foods.

Increase Recreational Movement

We make movement fun and inclusive for the entire family.
