

GET A MENTOR WITH BBBS!

Project BAM

Join our Mentoring Program with Monmouth University to receive a year of one-to-one mentoring support from a college student at Monmouth University. The program meets throughout the school year two Mondays a month from 11 am-12:45 pm. At the sessions, Mentors and Mentees spend one-on-one time together, as well as go on campus tours and engage in group activities facilitated by BBBS!

BENEFITS OF COLLEGE MENTORING

- Empower youth to prepare for the future while teaching them about college life and the admissions process
- Provide friendship, guidance, and support through topics of decision making, conflict resolution & self-esteem
- Emphasize the importance of education, college and career preparedness

What does it require to be a Mentee?

1. Commit to attend the program for 1 school year
2. Complete an application via this QR code
3. Complete a brief interview with a BBBS staff member
