

FREE SUBSTANCE USE AND MENTAL HEALTH TREATMENT SERVICES

The Freehold Area Health Department and High Focus Treatment Centers have partnered to provide a select number of opportunities for uninsured or underinsured residents of Freehold Township and Freehold Borough to access substance use disorder (SUD) and mental health treatment services at no cost. Programs include:

- Mental health, co-occurring, and substance disorder treatment
- Partial care and intensive outpatient treatment (3-5 days per week)
- Ages: Adolescents (10-17) and Adults
