

How can Graham help your school and students?

Graham Behavior Services offers school-based services through consultation and/or training administered by Board Certified Behavior Analysts (BCBA) and behavior therapists.

We work with individual students, entire classrooms, or whole school districts. Additionally, we offer training for individual teachers or groups of teachers throughout the district.

School & Student-Based Services

- FBAs and BIPs with staff training
- Tier 1, Tier 2, and Tier 3 Intervention services or consultations with the support team
- School Consultation - teacher training without direct work with students
- BCBA and Behavior Therapist support in school
- Supplementary Instruction across Social, Behavioral & Communication domains
- Support for CBAs on staff
- Support in School for Positive Behavior Support (ie. PBSIS)
- ABA Program Development
- Lesson & IEP goal development
- Skill & behavioral assessments
- Program evaluation & student placement evaluation
- Document review with recommendations
- IEE (Independent Educational Evaluation)
- Skills-Based Treatment (SBT)

How can Graham help teachers & parents?

Teacher-Based Services

- **Purposeful Teaching - Teachers Teaching Teachers:** Training for teachers on research-based strategies for classroom management and addressing challenging behaviors; includes group and individual coaching for general and special education.
- **Teacher Coaching** on maximizing learning through de-escalation and proactive strategies
- **New Teacher Training & Professional Development**
(Topics Available Upon Request)
- **RBT Training Course** to increase the skill set of paraprofessionals

Parent-Based Services

- **Purposeful Parenting:** Enhancing parenting skills with research-based solutions. Learn positive techniques to reduce problem behaviors and foster positive ones through live workshops, online courses, group support, and personalized coaching grounded in Applied Behavior Analysis (ABA).
- **Support groups**
- **Parent Coaching Workshops:** Teaching Your Child Independence, Setting a Nighttime Routine, Decreasing Sleep Dependencies, and more
- **Parent Support for School Refusal**
